

THE PASSING OF CARDINAL
BOURNE.

FUNERAL SCENES AT WESTMINSTER AND WARE.

Picture.:-

Westminster Cathedral : Pontifical Requiem --

--Mass for the repose--

--of the soul of Cardinal Bourne has been celebrated. The
Cathedral--

--is packed with mourners. The streets outside--

--are lined with many more thousands of the faithful.
Slowly the calm serene stream--

--of clergy attired in robes peculiar--

--to their position flows under the great Cathedral
Archway. The stream carries upon its gently moving
course the coffined body of the late Cardinal Bourne.
(MUSIC).

(MUSIC 3 SHOTS).

It is an extremely simple cortege which carries

--

--the coffin to Ware, Hertfordshire for interment,
in the--

--Galilee Chapel of St. Edmund's College. Bishop Butt
follows immediately behind the coffin, as it is--

--borne to the Chapel. Cardinal Hlond, Archbishop of--

--Poznan is prominent among the many high officials
of the Roman Catholic Church, who take--

--part in the elaborate holy--

--rites.
