F.A. CUP THIRD ROUND.

Of the many Cup-----

-----tie matches being played to-day, ~~XXXXXXXXXX~~ none gave a greater kick to football-----

-----than this match between Chelsea and Luton. Luton won the toss and Chelsea started the ball rolling. Luton's half of the ground got very much trampled on by Chelsea but their defence was sound and satisfactory. The final score was two to one in favour-----

-----of Luton. But our camera record is^a/remarkable-----

-----one. And the picture of the odd goal should provide a lot of argument over a lot of pints^{of} of beer-----

-- That shot over Luton's bar -----

----- caused some excitement and so did thi save by Cohen. But th-----

-----next picture is one to watch carefully. It is the picture-----

-----of Luton's odd goal - very odd. -----

-----Howl did that ball. score?
The 'Spurs play off their tie against Manchester City at -----

-----Tottenham. In an icy wind fifty thousand people, suffering red noses and cold-----

---feet watch the City pressing the home team, and ----

---if the Nortyermer's shooting had been luckierl the result would have been-----

--- a very different one. There's another outside the post-----

-----The Cupholders play very open football against the Spurs, going all out to counter their vigorous attack , and after a- ----

---thrilling fight, Manchester City lost, by one goal to nil.
