

UNUSUAL WEDDING GIFT.

ROASTED OX FOR BRIDE.

Picture.:-

Paymaster-Lieutenant Winslow, Royal Navy, arrives at Hatley Church for his--

--marriage to lovely Miss Eileen Whitehead, who is to be given away by her father. And who can do that--

--better than a father ? After the--

--ceremony Lieutenant and Mrs. Winslow do something quite out of the usual. Instead of entering an--

--orthodox motor-car, the bridegroom takes his bride for a walk. At the end of the--

--walk is a roasted ox. Fathers of old used to give the brides an ass, laden with goods. This bride's father gives an ox, laden with gravy.

It made quite a splash in the village !
