"Ours is a nice 'ouse, ours is !" Not--
--arf, it ain't. The blooming County Council has said--
--that if they don't pull it down, it will blooming--
--will fall down. The tit fer--
--tat sleeps in the sink,--
--and we sleep--
--in the draught, where a wall was. Things ain't--
--'arf 'appenin'. Blimey ! Twenty-three 'ouses in our
road. Well,--
--it's Tootin' Grove feally, has been sentenced, no
condemned--
-- , and they say "we're goin' to, 'ouses with bathrooms--
--in 'em. We never asked for no baths, but perhaps
they will--
--come in useful for something. The great thing is we
are saving--
--2/1ed a week in rent. Good, ain't it ?
