F H E F.A. CUP.

FOURTH ROUND THRILLS.

Sixty thousand people suffer cold-----

---discomfort to see Tottenham Hotspurs play off the F.A.-----

----Cup fourth round against Newcastle United. Wind and some---

---sleet dont help matters.-----

----but the toss-up gives Newcastle the honour of-----

---starting the ball -----

-----rolling. Cairns is playing inside left, weaver and Murray  
left and right halves, last minute----

---changes. Newcastle presses the attack, but the bold centre  
half bites the sand and Taylor clears. -----

----Spurs return the compliment but Tapken isn't tested greatly.  
There's a dangerous moment-----

----when McCormick compels a corner off Fairhurst, but the  
danger passes-----

---without a score being made. In the first half of the game  
Newcastle United almost made----

----rings round the Spurs. but not for long. Hunt xxx as the  
Spurs centre forward, covered himself----

---with mud and glory. Half time showed no score either side----

---but spurs carried the day by two- nil.

-----
