DANCE TIME IN HUNGARY.

LAWYERS' BALL AT BUDAPEST.

---

Picture.

Ball in Budapest ! A real Hungarian Rhapsody !  
Langorous music of Tzigane orchestras carry away  
the dancers of these czadas dances. The throbbing  
whall of the violins pervades the senses. At last,  
all but the dances and the face of the beautiful  
partner swimming before you is forgotten. I am  
presuming, of course, that your wife is at home  
with a bad cold.
