

PRE-WAR SPLENDOR.

CITY OF VIENNA BALL.

---

Picture.:-

Splendour, magnificence and gaiety at the first City--  
--of Vienna Ball held since 1914. H.R.H. Arch-Duke--  
--Eugene attends with Arch-Duke Anton, and President Miklas.

Everyone who is anyone is here. It is a recussitation  
of the old--

--resplendent, romantic--

--Vienna which has served--

--for the brilliant background --

--of so many of our--

--pre-war musical comedies. Arch-Duke Eugene holds audience.  
Viennese--

--beauty and aristocracy pay him their respects.

(NATURAL SOUND - 4 SHOTS).

An old custom ! President Miklas, and Burgo-Master  
Schmitz drink from the ancient beaker, formally named  
Kaiserwien, drinking the health--

--of the beautiful Princess Illeana of Roumania--

--and the distinguished company assembled around her.

And now on with the dance. The old-time spirit  
of Vienna lives again.
