

BULL FIGHT IN MANCHESTER.

STUDENTS REHEARSE CHARITY "RAG"

---

Picture.:- Manchester students take up an old Spanish custom !  
This is merely the preliminary center to a big charity--

--drive. News-reel cameramen are released from their padded  
cells to--

--risk their lives to present this hot--

--news item to pampered picture patrons on padded plush seats.  
Sorry about that !

A sensational Senorita receives homage from tough  
Torreador, and gives him the frozen--

--fist. I think ! Another thrill ! The bulls are  
released, and the crowd--

--gives a blood-thirsty cheer. The excitement grows--

--and the battle starts. The courageous cameramen plunge  
into the fight--

--exposing yards of film.

The bulls bear down on them. One rip--

--of a horn,

--and the cameramen will get increased exposure. The  
excitement reaches--

--fever-heat. The crowd grows--

--wild. The bulls go wild, and the cameraman goes home.

The bulls win--

--the first round of the charity tournament--

--to raise ten-thousand pounds. Atta bull !
