

205141

?(CONT).

Britain being ever a hospitable country,--
--the show dog belonging, I think to--
--the Austrian Ambassador, added to--
--the general welcome of Dr. Schusehnigg, when he--
--visited the Austrian --
--Legation in London. The iron handed Chancellor--
--of Austria, together with his Minister, Baron
Franckenstein were--
--kind enough to permit us to film these posed
pictures.
