Another "Why girls leave home" story. Crowds gather to--

--see the charming Miss--

--Peggy Paget keep a most--

--important appointment at St. George's--

--Hanover Square. The lovely daughter of Lord--

--Victor Paget is to wed Mr. Nigel Gibbs--

--of Wickenden, Sharpthorne, Sussex. The bride's--

--mother is the Countess of--

--Drogheda. Please note the--

--horseshoe carried.

Mrs and Mrs. Gibbs were kind enough to peer through hole in awning for your special benefit, and retreat through same at end--

--of ordeal. That action showed a spirit of kindness which should ensure happiness for the lucky--

--pair or more as the case may be.
