

(4). --Italy, however, is still bathed in the sunshine--  
 --of the Duce's ready smiles. For years Signor Mussolini--  
 --has been building up a new Rome. Now he is knocking--  
 --down bits of it.

He initiates the work of demolishing slums--  
 --on the site of --  
 --where later on the famous--  
 --Littorio Palace will be built. When completed it will--  
 --be inaugurated by a--  
 --Fascist Exhibition - - what of I do not know.
