BACK FROM AUSTRALIA.

JAMBOREE SCOUTS RETURN.

Picture.:-

The "Larges Bay2 arrives at--
--Southampton. Of course, she often does , but--
--this time she brings--
--back boy-scouts who travelled half the world to be--
--present at the Jamboree, Melbourne, Australia. Here
they are--
--in active service kit, as it were, &--
Coming ashore during this high spot of life! They
have been in charge--
--of Rear Admiral Collins, but on reaching Waterloo,--
--his responsibility for a large family ceases. We
live in--
--great times. What seasoned yarns these lucky
lads will have for telling round the home and camp
fires !
