FOOTBALL. SIXTH ROUND

EVERTON.

All the football crowds this-----

---season seem to be record crowds. Here's another to----

---see Bolton meet----

----Everton at Goodison Park. In the first minutes play, Jones cleverly negotiated a header from the foot of----

----Dean. Bolton are in the white shirts - better tell you that now because the ground-----

---- is muddy and they may not be white very long. There was some excitement when Cunliffe took a header and-----

---hit the post, Stephenson, following it up by a shot which went

-----wide, but Everton's ----

--- luck wasn't in. Wilson -----

---gave Bolton the lead at half time and early in the----

----second half, Eastham made a fine-----

-----shot and put Bolton two up. By this time -----

---Everton's chances had worn rather thin. Bolton played excellent football-----

-----Things looked like brightening up a bit for Everton when D Dean put-----

-----the ball in Bolton's net; but the ref. disallowed a ----

---- score, and Bolton won by two goals to one, tha' knows.....
