FLYING SHUTTLES.

BADMINTON CHAMPIONSHIPS (CONTINUED).

---

Picture.

More indoor sports racketeering. Badminton champions--

--at the Royal Horticultural Hall, Westminster--

--have been at it for a week. Here are Mrs. Stewart, and R.F. Nichols, playing--

--Mrs. Barnett and P.D. MacFarlane--

--in the mixed doubles, and here--

--Mrs. Uber playing Miss Goodall in the women's singles. Mrs--

--Uber in shorts reveals some very attractive play in the course of her game. The rallies are so fast--

--that the Umpire nearly gets--

--a stiff neck, but apart from their speed, these players--

--are quite easy to look at. A very pleasant game. badminton !
