NEWS IN BRIEF.

Picture.:-

This is easier, but strenuous, all the same !
Oxford University's women--

--man the Eights Boat. They have just returned from--

--a practice spin on the Isis; a part--

--of the training for rowing against Cambridge University's--

women. This crew has made wonderful progress, and their work
is of high--

--standard. They look like winning the--

--event, but with women, you never know you know.
