

GOLDEN MILLER'S GREAT

WIN.

THRILLING RACE AT CHELTENHAM.

---

Picture.:-

By far the largest crowd of the meeting at Cheltenham storm the--

--enclosures. Before the paddock parade of the five runners for the Gold Cup, all gates were closed, owing to crowding, and even then people broke through hedges and crowded some more. Even a fancy price could not buy a race-card and all this--

--to see 'GOLDEN MILLER' run. At--

--least - that's the chief attraction. Well ! it's certainly a thrill to see five of the world's best jumpers battling for supremacy. Up to now the jumping has been just--

--about perfect. 'SOUTHERN HERO', a 20-1 horse takes the lead, with 'THOMOND II' at--

--5-2--

--at his heels. All fly over the ditch--

--like birds, and starting the second time round 'GOLDEN MILLER' is slightly behind the two stouthearts, who still hold the lead. It's extraordinary how--

--the field has held the same relative positions, but now 'SOUTHERN HERO' drops back apparently beaten. 'GOLDEN MILLER' passes 'THOMOND II' without hard riding--

--and wins by only a short length, with 'THOMOND II' second, and 'KELLSHERO JACK'--

--third. It's my impression that 'GOLDEN MILLER'--

--had a lot more in hand, but didn't require it. Miss Paget his owner just arrived--

--by aeroplane from Frankfurt, leads her horse in from his fourth Gold Cup Victory.
