

RUGBY CHAMPIONSHIP BATTLE.

CALCUTTA CUP AT STAKE.

---

Picture:-

The Rugger International at Murrayfield. As usual, thousands and--

--thousands of people are gathered together to get sore throats--

--egging on their particular fancy. The day is a bad one for photographing the play. The picture of Robert in the foreground is quite good. Special points of the match were:-

--Auty for England did excellent--

--work. Boughton did good, but not brilliant work. England let two wonderful chances pass, when Cranmer and Auty had all but stormed the Scottish line. A single handed try by Fife produced--

--a yell which nearly wrecked the stand. Half-time--

--showed the Scottish Lion more rampant than ever. Ten Points to England's Four. The Match was for the championship, and the--

--Calcutta. England--

--got neither.

Scotland ten points, England seven.
