

CABINET MEETING.

ACTIVITY IN DOWNING STREET.

Picture.:- The number of people who--

--crowd into Downing Street suggests a change of government,--
--or a European crisis, or both.

Lord Sankey arrives to confer in Cabinet ranks re German--
--Conscription. Lord Londonderry hurries--
--in, followed quickly by Sir Samuel Hoare. From--
--the Home Office come Sir John Simon, upon whom rests --
--great responsibility. I suspect the group--
--of schoolgirls of just--
--curiosity. Mr.J.H.Thomas sucks the pipe of peace--
--with determination. The Post Master General,--
--Sir Kingsley Wood, has lots of ideas.

The rest are inside, already conferring.

The result of these--

--deliberations was, as you--

--knew, a strong Note, (capital 'N') being sent--

--to the German Government. The result of that, none of us--

--can yet know. Not even Lord Hailsham,--

--or the Prime Minister. We usually accompany these stories with
music, but what this time ? A flamboyant--

--military march, a gay--

--measure, or a harmonius prayer for peace.
