

F.A. CUP SEMI-FINAL REPLAY.

BOLTON WANDERERS V WEST BROMWICH ALBION.

The semi-final replay at Stoke. West Bromwich Albion run---
----out into the sunshine-----
-----to meet Bolton Wanderers, and settle the question of---
---Saturday's drawn game.----
----The luck of the toss falls to the Albion but neither
sun-----
---nor wind gives any advantage to-day. The kick--
--off is a signal for an attack by Bolton, but it crumples up
The Albion replies. Boys sends over a centre, Gale misses it---
---and it goes into touch---
---The throw in was cleverly capitalised by West Bromwich.
Bolton's defences were broken through. Eastham does beautiful
work. Richardson takes the ball, beats his man and scores.----

THREE SHOTS EFFECTS ONLY

For Bolton, Finney is----
----doing well and so is Gosling. Oh, Finney has handled---
---the ball. Sanford takes a penalty kick and scores
beautifully.-----
---After half time, Bolton-----
---tries manfully to regain ground, but it was too late. Albion
have their measure and kept-----
---the two goals ahead for no score against them so the---
----West Bromwich men will meet Sheffield Wednesday at Waterloo
---no, its called Wembley.

Meanwhile in Birmingham, sixty thousand people get wet to see Sheffield Wednesday play off their-----

-----semifinal with Burnley-----

---and there are Burnley trotting out, all dressed up in Aston-

----Villa Colours. It is -----

-----a pity the weather's so bad. But there's the-----

---kick-off and the battle is on. I'm told-----

---that one of the best things in this match was-----

---the wonderful dash-----

---up the field by Brown. Rimmer scored a brilliant-----

-- goal after six minutes play-----

-----After the interval, Wednesday got all the----

---luck. Burnley put up-----

--- a good show, but Rimmer and Palethorpe each counted one----
