

AFFAIRS IN BERLIN.

SIR JOHN SIMON'S VISIT.

---

Picture.:- Hitler's own bodyguard acts as Guard--

--of Honour to Sir John--

--Simon and Mr. Anthony Eden on their arrival at Berlin, for their latest peace mission. Baron Von Neurath greets--

--them. The Union Jack--

--flies from the Aerodrome Tower.

From their welcome by--

--diplomats and German citizens, one--

--must deduce--

--that the visit, and the hopes it raises, are--

--popular. At the same--

--time the atmosphere is definitely military. Dr. Goebbels arrives--

--at the German--

--Chancellery. The leader, Hitler, immediately follows. Almost at--

--the same time Sir John Simon and Mr. Eden--

--leave the British Embassy--

--and drive through cheering crowds to the--

--Chancellery. Sir John--

--enters. The stage is set for Act One of new effort.
