

THE LINCOLNSHIRE HANDICAP.

THRILLS ON CARHOLME COURSE.

Picture:-

The sun shines brightly and warmly on the--
--runners for the Lincolnshire Handicap. Thirty-four
very nice horses--
--make their way to the--
--post. Some of them won't be thought quite so nice--
--in about three minutes.

The starter has got them lined up, and they're
off ! At the last moment 'LLANARMON' became favourite
in the betting, superceding 'FLAMENCO',--

--but it looks as if the trust was misplaced. 'FLAMENCO'
is running beautifully, although 'BOW AND ARROW' seems to
be ahead--

--at the moment. There's a battle going on between 'HEAVYWEIGHT'
and 'OVERCOAT'. 'FLAMENCO'--

--has passed 'BOW AND ARROW'. 'HEAVYWEIGHT' is coming up,
but 'FLAMENCO'--

--wins in confident style. A triumph for Mr. Jack Jarvis,--

--a leg up for Smith the--

--jockey, and a knock-out for, well, me for instance.
