(1). Picture:- This looks like play, but it's work.

By this 'ere picture, you wouldn't dream he's a curate, would you ?, and he's not!

Although he's a holy terror. It's MARCEL THIL, training for his fight with--

--VILDA JACKS, here seen in the centre, punching the invisible man in the woods at Vincennes, and playing hide and seek, or hunt the slipper with a few boy-friends. Hello ! His foot-work is faulty.

Boxing is a great game, but it's--
--not what it was. The ring is becoming--
--just a grooming ground for film stars.

(2) Picture:-

Germany's Post Master General also makes a picture, while inaugurating--

--the new Berlin to South America--
--air post service. In three days these letters--
--should be in Buenos Aires.

The mail 'plane receives its load--
--at Tempelheff Aerodrome, and under the--
--glare of searchlights,--
--it being nighttime over here,--
--starts off on its new job as aerial postman.
