INTERNATIONAL FOOTBALL.

SCOTTISH VICTORY.

Picture.:-

The colossal number of 130-000 people--

--besieged the gates at the International soccer match at Glasgow, but a mere--

--100-000 got in. Right after the kick-off,--

--Scotland started attacking vigourously, but England cleared the first--

--threat. The play was far away from being good international form, and a contest which, - - pass along please, thank you - - and a contest which--

--should have been one to remember,--

--will be just as well forgotten. The two goals which gave Scotland the game, with nothing against them, were scored by Duncan, of Cornerkicks. In fact Duncan was --

--the player most worth watching. The English side had no performance to boast about (- - pass along please - -). He's the best back on the field, anyway - - and Scotland's win will not go down in international football history as an epic.
