SIGHTSEEING TOUR.

Officers and ratings of His Majesty's Ship
'AUSTRALIA', the ship which recently--
--brought the Duke of Gloucester back home,--
--call at the Port of London. In--
--rubber-tyred land craft they are to--
--see the sights. Westminster Abbey is--
--prominent in their itinerary, and I was impressed--
--by the keen interest shown--
--in this historic place of worship.

The next call is the Guildhall,--
--where the Lord Mayor honours the--
--detachment by a semi-state reception, and what--
--is perhaps even more important, a lunch, to fortify--
--them before touring the Tower--
--of London - - with their caps "tucked underneath their arm".
