

HINDENBURG PACK MARCH.

TROOPS RACE IN FULL KIT.

---

Picture.:-

The Hindenburg Pack Race. Germany's Leader offers a prize to the winner of this awful event, and it ought to be a good one. (The prize--

--I mean !) 900 troopers take part in--

--this pack drill under false pretences. We used to--

--call it C.B. most of the time. I expect some of--

--these fellows have a few other--

--names for it in private. (EFFECTS).

(NATURAL SOUND 3 SHOTS).

This is the winner just coming into--

--the Stadium at Berlin. The other 899--

--are frightfully glad he's won. They needn't--

--hurry so much now.
