SEASONS' FIRST MOTOR
RACING MEETING.
RECORD ENTRY AT DONINGTON.

Picture.:- Donington Park opens its own flat racing season. This--
--is the start of the 5-lap race--
--for cars up to 1500-cms. Many famous drivers are competing;--
--and one lady is also taking a chance. (EFFECTS).
(EFFECTS - 2SHOTS).

H.G. Dobbs wins that event.

The next is for cars up to--
--3,500--
--cms. (EFFECTS).

And H.G. DOBBS takes the honours with--
--the Honourable Jock Leith,--
--second. In the next race Lord Avebury drives--
--against, among others, Miss Evans, the only girl competitor
at the meeting. This is the 25--
--miles per hour handicap for the--
--3,500 class.

(EFFECTS - 2 SHOTS).

H.G. Dobbs again keeps his record,--
--and runs away with this event also. Barring speed, there
were no--
--great thrills, but Dobbs had a very good day, thank you.
