

(CONT).

(3). Picture.:- Old Trafford, Manchester, sees the start of the cricket.

Lancashire players prepare to meet--

--South Africa's test Eleven. PARKIN seems glad--
--about it, and MAKEPEACE, batting coach, watches form.

P.T. ECKERSLEY, Captain, is looking for promising--
--new players. BOOTH puts up a--
--fast one to GARLICK, who replies suitably and--
--vigourously. Everyone seems in fine fettle.

There's IDDON loosening up his arm,--
--and MAKEPEACE says "Smack it",--
--and result is one hole up.

(4). Picture.:- Princess Alexis Midvani arrives at Reno, the--
--'City of Broken Romances'.

Things have rather happened to the Princess, and the end--

--of one story will be right here, and soon. But beautiful princesses don't remain lonely long, and as Barbara's not at all difficult to look at, well, it's odds on she won't.
