(1). Picture.:- A relay running event in--

--which the teams will cover two-thousand miles. This is the unique way in which the Boys' Brigade Companies, from all over Great--

--Britain are conveying a Jubilee message--

--of loyalty to His Majesty.

The Scottish team arrives at Coldstream on the English border. The Chief Runner carries a--

--silver baton in which the--

--message is locked. Boys of the English team receive the--

--baton from their Scottish friends. Crowds--

--watch the ceremonial.

The baton and message are signed for on--

--the drum head, and the next team moves off in the--

--next stage of this patriotic marathon which will end at Buckingham Palace.

(2). Picture.:- An item of destruction comes from Middlesborough.

Out of date blast furnaces are to fall beneath the juggernaut of progress. The explosive--

--fuse is fired, and it's 'get out from under !'

They have got out !
(EFFECTS).

The blasters look at their work.

That's a furnace that was, and so was this. (EFFECTS).
