NEWS IN BRIEF.

The Speakers Coach is given first aid before its--
--Jubilee appearance. Its last outing was at the Coronation
of King George. Captain the Honourable Edward Fitzroy, the
Speaker of the House of--
--Commons is its next passenger. The--
--coach is 265--
--years old, and weighs almost three--
--tons. The horses usually draw a brewers' dray. They
will probably be much more difficult to manage after this.
