NEWS IN BRIEF.

(5). Picture.:-

The latest tennis--

--surprise is that Mrs. Helen Wills Moody is to--
--play at Wimbledon. She has just arrived from--
--New York on the liner 'Manhattan' to start--
--getting her form--
--back. Mrs. Moody has not played tournament tennis
for two years.

The once champion strained her back, and,
as everybody thought,--

--gave up the game, but now she is all bright and
brand new, and Wimbledon--

--will again thrill to the adroitness of Helen's
amazing racket.
