LANIMAR DAY

PICTURESQUE CEREMONIES IN LANARK.

Lanark is not famous only for its coal mines and football teams. To-day it is celebrating Lanimar Day.-----

---a bit of history, dating back about eight hundred years . The Lord Cornet leads the procession. ----

---Next come the Lord Provost and Town Council, and following them are gentlemen decorated with trees...for what reason----

---nobody asked seemed to know. There is a very interesting parade of-----

---tableaux, but it's all because eight hundred years ago it was the custom to beat the boundaries of the shire and see that no marauder had sliced off a few hundred acres, in favour of

----the neighbouring chieftain. More recently the ceremony has been-----

given an added flavour by electing and crowning a Lanimar -----

---Queen. The Lord Cornet takes charge of the Royal lady, so I suspect -----

----a past Lord Cornet-----

--- of having started the idea. On this occasion-----

----the queen is crowned by Mrs Thomas Brown-----

----of Erivall. With a queen like Netta Graham, Lanark ----

---should lead the first division next season.
