THE OAKS.

LADIES' DAY AT EPSOM

Ladies day at Epsom. And its a-----
 ---day which is not kind. Its blowing like-- anything. -----
 ---I know a better word, butb its ladies day at Epsom, so I've
 ---swallowed it. I was also given -----
 --- a cert. winner. I didn't swallow that. Marquess look-----
 ---as if they'll go into ribbons-----
 --- at any moment. And ladies look as if-----
 ---they'll lose them. And, of course, there's-xx-x the----
 ---Oaks. Seventeen runners parade before a thin attendance of
 visitors and-----
 ---a large attendance of-----
 ---bookies. The seventeen are at the start and -----
 --- up go the taces. -----

EFFECTS-----

---At Tattenham corner, SUNKIST is leading with CORONEL and
 LIGHT TACKLE very close. The French filly MESA is running well
 ---and pushing through. Down the straight, SUNKIST falls back
 a little; FOXLAIR is in the centre, ANCHORET is coming up,
 passing CORONEL, SUNKIST and has got the lead. she's running
 strongly a length ahead now. MESA has beaten CORONEL
 LIGHT TACKLE, SUNKIST and is racing neck and neck with QUASHED
 which is just pushing through. MESA is still coming up, QUASHED
 is level now with ANCHORET and has taken the lead-----
 ---QUASHED has got it, with ANCHORET second and MESA third.
 A terrific-----
 --- finish. MESA at five to four beaten by a thirty three to
 one and -o--
 ---and a hundred to six. The ladies have had a thrilling
 day.
