WOMEN'S BOWLS TOURNAMENT.

RECORD ENTRY.

---

Picture.:- Women are forsaking kitchen bowls and taking to wooden ones.

The Mayorress of Hastings sends--

--up the first wood in the Women's Open Bowling Tournament, and--

--the Mayor follows suit, tries to de--

--better and doesn't !

Competitors watch Mrs--

--Fawcett, who won last year's Tournament. The most--

--important thing is--

--that an official costume for the game has been decided--

--upon. White skirts, white jumpers, and--

--white felt hats. So the--

--White Sales should do better than ever ! This year--

--Mrs. Fawcett rolls--

--to defeat by Mrs. Wilmott, of Eastbourne. It's a nice game, but the danger of it is that it is--

--teaching women to throw straight.
