(4). --hell drivers of Dallas, riding through a burning wall.
"Five dollars a shot, and a free coffin!"

Jumping over lorries at 60 miles per hour. Anything
for a--

--thrill. Look out, George! - - - "Some day that guy
is going to do something dangerous!"

And how's this? Flight-Lieutenant Mole has just
pushed his 6 horse power 'plane out of--

--the garden shed to fly from London--

--to the Isle of Man. It does 100--

--miles to the gallon of petrol. Sixty--

--miles of his journey are across sea. The longest
sea crossing ever attempted in such a--

--tiny machine.
