LEEDS FESTIVAL OF

CHILDHOOD.

STIRRING SCENES AT ROUNDHAY PARK.

Picture.:-

Children of Leeds - - the whole massed--  
--family ! Miss Joan Morley is this year's Queen of Children's  
Day, and all her school subjects welcome her to--  
--Roundhay Park. This--  
--Children's Day of Leeds is a great--  
--idea. Kiddies were usually brought--  
--up to watch their elders and--  
--copy their example. In--  
--this Show, the children--  
--set an example which--  
--many elders might--  
--quite well follow.

If they weren't so busy doing other work, or looking  
for it. But the kiddies--  
--are improving every--  
--day, bless their hearts. Modern --  
--methods of training must be responsible, but it's a very  
old fashioned idea which gives--  
--modern training its chance to make good.
