

LADY CROSFIELD ENTERTAINS.

TENNIS STARS AT GARDEN PARTY.

Picture.:- Her Royal Highness the Duchess of York arrives at Lady Crosfield's tennis party. Princess Marie Louise is with the Duchess.

The function is for charity and the--
--program's highlight is exhibition tennis--
--played by famous Wimbledon stars. Just before--
--the match is commenced, Lady Crosfield presented P.J. Perry--
--and W.H. Austin to the Duchess.

Just after Mrs. Wills--
--Moody and Miss Stammers were similarly honoured. The--
--Duchess of Westminster adopts an eye shade.

Mrs. Fearaley Whittingstall is here, and so is Bunny--
--Austin's charming and talented wife Miss Phyllis Konstam.
Our--
--camera caught close-ups of Mrs. Moody--
--and Bunny Austin.

The party is rather like a--
--miniature tennis Ascot, because beauty--
--and fashion takes first place--
--and sport second. Of course one--
--can't be surprised at that.

Can one ? Sir Arthur--
--and Lady Crosfield are to be congratulated on the striking
success--
--of their effort for infant welfare funds.
