WELCOMED TO CAMP IN IRELAND.

Picture.:-

Girl guides from practically every country in the two hemispheres

attend camp at Dunmurry, Belfast. And if they don't take back happy memories, well, it's not the fault of

the organizers. These Swedish lassies have started well, and the Norwegian girls think the situation worthy of a big, big, smile.

A young Jamaican seeks an autograph or two, while the French girls find that work is only play after all ! Barbadoes is represented, too, and Switzerland sends its quota of smiling young womanhood. Lord Craigavon, Prime Minister of Northern Ireland greets the visitors, and a message from Lord and Lady Baden-Powell is read. All of which means, summed up into one word, Welcome !
