CHESTER REGATTA.

THRILLS ON THE DEE.

Picture.:-

A wintry summer's day keeps

a lot of people away from the river, but those who do brave the elements vote it worth while. The coxwainless fours, usually only seen on the Thames, goes to "Liverpool Victoria", so does the City of Chester Challenge Cup.

The final for the

Senior Rights is the high-spot of the Regatta.
Mersey and Royal Chester are the contestants. The
Mersey eight

are well in the lead

half-way, but the Royal Chester men are making a splendid effort.

(EFFECTS TO END OF SHOT).

It's Mersey's race, by a length !
(EFFECTS TO END OF SHOT).

I don't

know why they carry-in their boat in this way, but I heard that somebody once threw a horse-shoe for luck ! Perhaps Mersey heard of it too !
