

(1). Picture.:- Many famous jockeys come on to

Bootle from the Liverpool Meeting, for the Donkey Derby. ....  
Steve

Donoghue, Johnny Dines, Tommy Weston, W. Nevett, Donald Smith,  
Arthur Wragg - - they're all here, intent upon winning the

Donkey Derby. .... They're away, just like race-horses - -  
well, they've got four legs, anyway. .... Come on, Steve!

Come on, - - er - - all right, stay where  
you are ! Who cares, anyway ?

After going round and about and across the course until  
nightfall, Johnny Dines is declared the winner !

(2). Picture.:- Now a short 'hop' to Manchester, where the

new Corporation Flats at Smedley Point

are visited by members of the International Housing and Town  
Planning Congress. .... The visitors were interested to  
learn that

each flat has a balcony, electric light and electric fires,  
not to mention a

built-in rubbish-shoot on each balcony.

A splendid answer to the Slum Clearance problem. ....  
Keep it up, Manchester !
