WOMEN FOOTBALLERS.

MATCH AT WESTHAM.

Picture.:-

A French team of girl soccer players has come over to show the Preston team how well they can play.

A goodly crowd is at the West Ham Stadium for the event. The Mayor of

West Ham greets the players, but he is not asked to do as Miss Elsie Carlisle does to the rival captains !

After kissing the captains, Elsie kicks off and

the game is on ! The French girls attack strongly, so the English goal-keeper is kept busy. Many who came to scoff,

stayed to admire the play of these girls who know the game from kick-off to final

whistle. The first goal goes to France.

(EFFECTS OVER CROWD FLASH).

However, in the second half, the Preston girls soon equalize, and go 'all out' to secure the

deciding goal. And here it is ! So the English girls win !
