HOLIDAY TIME.

Picture:- Brooklands has its thrills, too.

Mrs. Petre is preparing her Delage to race against Mrs. Gwenda Stuart's single-seater racing Derby car. The match is for the fastest lap round the course. Mrs. Petre achieves the fine speed of 134.24 miles per hour. A performance Mrs. Stuart will not find it easy to surpass. She fails in fact to do so, and congratulates her victorious opponent. A rather illustrious driver, Mr. Bira, a prince of Siam, is competing in the race for a trophy presented by himself. (EFFECTS - 7 SHOTS).

L.P. Driscoll takes the honours.
