PRINCESS PEARL MEETS MUSICIAN.

AMAZING SCENES.

Picture.:-

All the world loves lovers, especially when those lovers are Princess Pearl, and a radio dance band idol. Mr. Harry Roy, whose band crooners and charming personality cause this schmoxzle - - or - - this romance to flower, is well-known figure in musical circles. The bride, Miss Elizabeth

Brooke, named by the natives of Sarawak, Princess Pearl, is the daughter of the white Rajah of Sarawak, Sir Charles Brooke.

The bride's beauty and charm are not a journalistic clichet, as

this picture shows. She's a most delightful girl, and Mr. Harry

Roy is no doubt congratulating himself as a lucky dog.

Here's to the bridegroom and here's to the bride. May they always say it with music, live in rhythmic harmony, and never strike a blue note.
