FOOTBALL IS COMING.

"SPURS" IN TRAINING.

Picture:-

Tottenham Hotspurs are on the war-path. That Second Division list isn't strong enough to hold

them long. With a sleeve-full of likely new men, and a nice bunch

of the known ones, like George Hunt, Bill

Hall, Arthur Rowe, they just can't

help putting up a winning fight for a great come-back.

Jack Tresadern, their manager, is sharpening up the rowels

of the Spurs. This season the abbreviation doesn't go.

Tresadern is determined it shall be Hotspurs !
Lock at them

skipping without ropes.

Still, I hope they don't practise shooting without a ball !

Anyway, watch out ! The Spurs - - sorry, the Hotspurs- -, are in training.

Their slogan is "First Division", or Bust !"
