ABUNDANCE OF "ROYALTY"

NINE QUEENS AT CREWE.

---

Picture:-

Crewe Carnival has a gamble which comes off trumps. The King and Queen of the Pack shuffle along to the Stadium and an immense crowd.

And here it seems that a Crewe sharper takes a hand, and produces nine Queens in one deal.

The kitty does

well, and the people see the Crewe Locomotive Queen crowned. A trick which makes everybody

throw in. And here are the court cards.

The Railway Queen of Crewe !

The Cable Queen !

The Harvest Queen - - Abundance - -

The Queen of Alderley Edge.

The Salt Queen - - oh, very tasty ! - -

The Queen of Ormskirk !

The Silk Queen - - each layer guaranteed.

Congleton's Queen - -

And the retiring Locomotive Queen !

What a hand to hold !
