

NEWS FROM ABROAD.

(A). Picture:- FRANCE - At Nice the Automobile Grand Prix is contested on the circuit of the Promenade

des Anglais. (EFFECTS).

(NATURAL SOUND - 7 SHOTS).

A splendid effort by the Italian racer, Nuvolari secures him another trophy for his already over-loaded sideboard.

His average speed was sixty-five miles per hour.

(B). DEAUVILLE - also stages an exciting event. Figure culture

on the beach. Somebody has spotted that one, but go easy ! The class is under the direction of one,

Professor Lassus. Well, I must say

I like his work !

Variation is the rolling wheel. The good round muscle and joint

stretcher. Some of the pupils wear it when they go bathing, and once it's started, there's no question of not going bathing. But it's very easy to manage - - if you're careful !

(C). AMERICA ! The Idaho Water Steeplechasing †
All you need

is a motor boat, a pair of water skis, and

a lot of nerve. This is where the steeple-chasing comes in. He's up and over ! As a matter of fact,

that's not too easy ! But he's an

expert, and you know what experts are !
