TRAGEDY OF THE AIR.

WILL ROGERS & WILEY  
POST'S LAST FLIGHT.

Picture.:-

The last pictures of a tragic sea-plane, with its ill-fated passengers WILL ROGERS and WILEY POST.

America's great comedian-philosopher was flying with the famous one-eyed round-the-world pilot WILEY POST to Moscow over the top of the world. Reaching the northern-most part of Alaska they crashed, and the world lost two great men.
