GREATEST FLOWER SHOW.

WONDER BLOOMS AT SOUTHPORT.

---

Picture.:-

Southport holds the world's largest summer flower show. At least, that's what the book of words says. Anyway a show of beauty without bathing costumes is a nice change. There are over five-thousand entries, which is a record, and prizes to the value of five-thousand pounds are to be won, which is a fortune. Noted Horticulturists from all over the country have sent exhibits. Sir George Kennick, of Birmingham, has won a premier award, and Lord Rosebery has taken trophies for fruit and grapes.

A successful and very lovely show of natural perfumed beauty.
