FOOTBALL MANAGERISE.

A CAPABLE DEPUTY.

---

Picture.:-

When the Secretary of Islington Corinthians went away for a holiday, his daughter said "Put me amongst the boys." So Margaret Smith

took charge, and here she is on the job, sitting with Islington's

Mayor - - when she's not bobbing up and down with

excitement. Margaret's team is playing against Fulham at Tufnell Park, and considering Fulham's strength, the Corinthians are making an excellent showing. If they can win they're going to, for Meg's sake - -(er Margaret's I,

I mean !) And if they make any mistakes,

Maggie, (er, Margaret I mean) is going to lecture them about it for the team's sake. She's a

strong girl, but not silent !

There's the Corinthians' one goal. For Madge's sake (er, Margaret's), I regret to report that Fulham scored three. Football is Fulham's strong suit. Not chivalry ! Hard luck, Margaret !
