SPEED AT BROOKLANDS.

500-MILES-RACE.

This is said to be the-----

---world's fastest car race,The five hundred-----

miles. Crowds arrive for thrills and-----

---they probably get them in plenty. The cars start in classes
each having its own-----

---handicap. The smallest-----

-----are handicapped up to a hundred and twelve miles per hour
and the largest, Cobb's huge record-breaking Napier-----

---Railton, is in a class by itself, is topped up to ----

---one hundred and twenty one point seven miles per hour.Each
car has to lap this Brooklands course-----

--- one hundred and eighty one times. All are speeding-----

---according to plan, and there-----

---are no accidents-----

---Fre dy Dixon has put up a lap at a hundred and thirty one,
but tyre ----

---troubles blot his copybook. The dance band leader, Billy
Cotton, has retired-----

---owing to tyre shedding-----

---John Cobb is ahead of everybody; A.W.K. Von der Beck, in
a Miley, is staying-----

---well; Cobb flashes past the post-----

---with a winning average of one hundred and twenty one, point
two-eight miles per hour.
