CAMPBELL BLACK'S RETURN.

WELCOME AT GROVDON.

Picture:-

Black and Mac : Otherwise Mr. Campbell Black and Mr. J.

MacArthur. These still undaunted airmen have just arrived at Grovdon after their sensational parachute escape from death in Egypt.

A discreet pause while Miss Florence Desmond greets her husband.

And we continue our narrative. It was at Mrs. Black's request, or possibly command, that her husband took

the parachutes which undoubtedly saved his life and that of his co-pilot. Black says that

he actually left the crashing 'plane only two-hundred feet from the ground. No wonder

Florence is somewhat demonstrative, but the charming actress

wife's attention is irresistible, welcome and deserved !
